Local management of 4EM project

Collaborative work with

Romanian Agency for Energy Conservation ARCE

Romanian Electrotechnic Committee CER

Association of Energy Consumers from Romania

National contact points:

- ENERO ?
- Romanian Electrotechnic Committee CER ?
- Chamber of Commerce and Industry Bucharest ?

Member in the Steering Committee tbd:

- Prof. Florin Tanasescu, president of the CER
- **Prof. Nicolae Vasile, vice-president Chamber of Commerce Bucharest, in charge with industry**
- Corneliu Radulescu, vice-president Romanian Agency for Energy Conservation ARCE

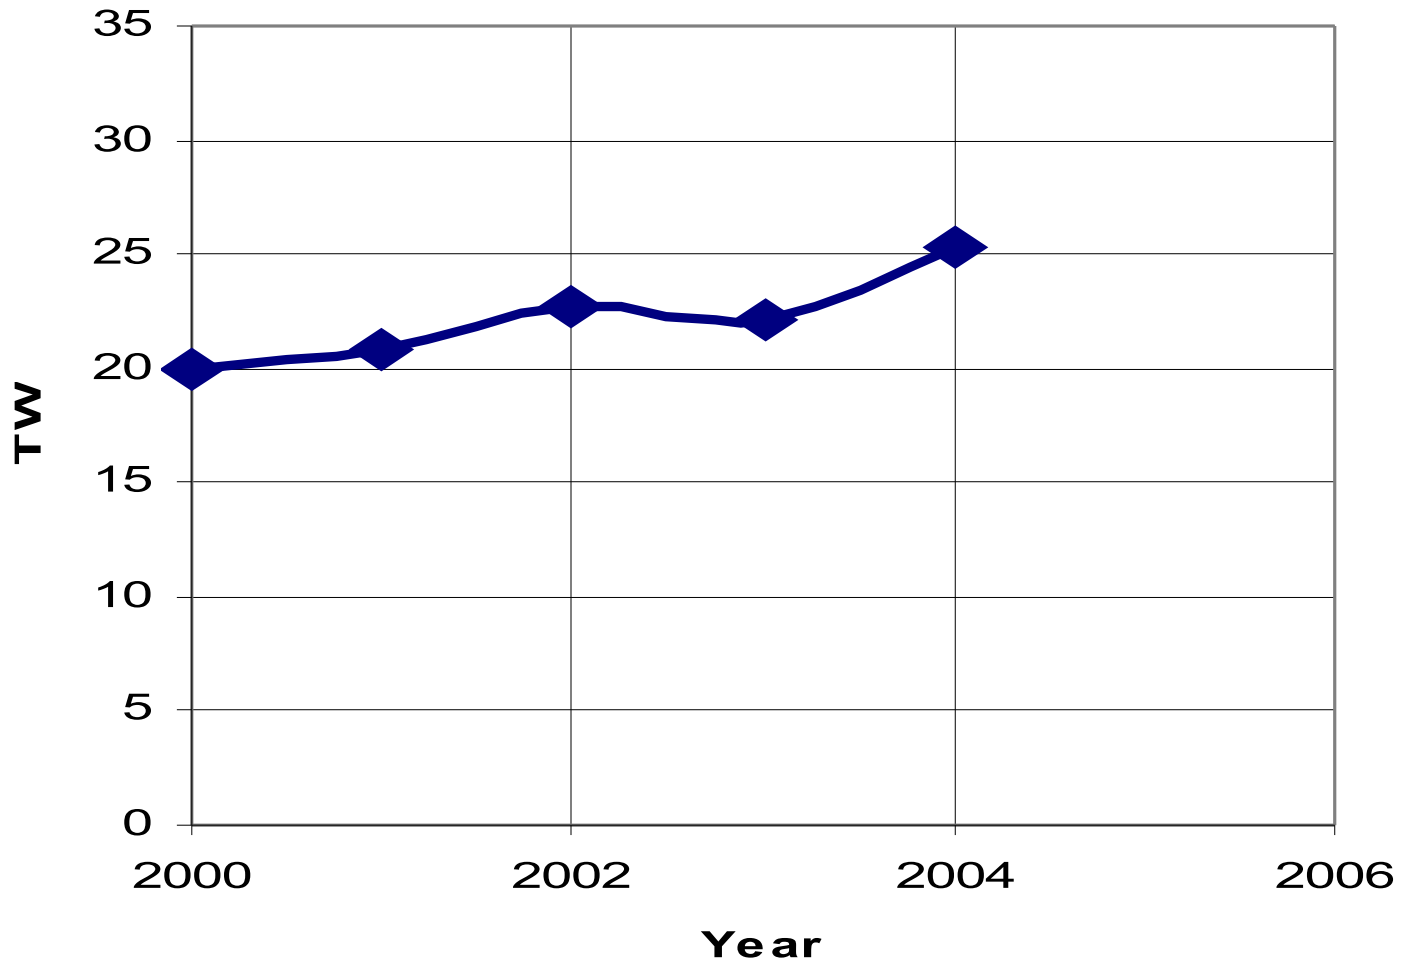

Energy Efficiency in Romania

Basic documents on energy efficiency:

• *Law for an Efficient Use of Energy*
(199/Nov.2000, republished in 2002) ;

• *National Strategy for Energy Efficiency* GD
1488/2004

Electricity consumption in industry

Comments

- **Electricity price still low**
- **More concern on heat than power**
- **Electricity savings in motors neglected**
- **No energy saving culture, mainly in former state enterprises**

- **4EM project timely and welcomed**
